Can you work on this.

Jared Blumenfeld, EPA

Subject: BDCP Schedules and Processes

Jared: To follow up on our discussions, we are actively contemplating several procedural issues around the comment period of the BDCP and strategies around EPA's issuance of its comments on the DEIS. Let's try to set a call amongst you, Letty, me and whomever you want to pull in for next week sometime. I have time on Wednesday for starters.

If you want to assign someone to work schedules, just let us know.

Thanks,

WS
